ADDITIONAL MEDICARE NOTES

- Original Medicare includes Medicare Part A (hospital insurance) and Medicare Part B (medical insurance) and is provided by the U.S. government as a federal health insurance program.
- With Original Medicare alone, you will pay deductibles and coinsurance for most services.
- Medicare Advantage plans (Part C) offer all the benefits of Original Medicare PLUS extra benefits like vision, chiropractic, and acupuncture. Some plans even pay for some or all of your Part B premium.

The basics: Kaiser Permanente Senior Advantage for Postal Service Members (HMO)

A Kaiser Permanente PSHB Medicare health plan combines all your coverage into one simple plan and offers additional benefits like Part B premium reimbursement.

PART A
Hospital Insurance

PART B
Medical Insurance

PART D
Prescription Drug
Coverage

PART C Kaiser Permanente Medicare health plan

- Extra benefits, such as vision and fitness programs
- Lower out-of-pocket costs for many services including office visits, emergency care, prescription drugs, and more

PART B PREMIUM REIMBURSEMENT

- With a qualifying plan,* Kaiser Permanente will reimburse you for your Part B premium, up to \$175 per month. This benefit is not taxable as it is paid from a health reimbursement account (HRA).
- You must pay the Medicare Part B premium to join a Kaiser Permanente Medicare health plan.
- Most people pay the standard Part B premium, which was \$174.70 per month in 2024. There are 2 circumstances which will make this premium higher:
 - 1. Late enrollment: If you didn't sign up for Part B when you were first eligible, your monthly premium for Part B would be 10% higher for each full 12 months in the period that you could have had Part B but didn't sign up for it.
 - 2. Higher income: For 2024, if your income from 2022 was greater than \$103,000 if you file individually or \$206,000 if you're married and file jointly, you may pay an income related monthly adjustment amount (also known as IRMAA) for Parts B and D. **NOTE: As your income filing adjusts in retirement, so does your IRMAA.**

The key 3: Benefits of Kaiser Permanente Senior Advantage for Postal Service Members (HMO)

CARE WITHOUT COMPROMISE

- You get all the benefits of your PSHB coverage and more, without increasing your PSHB premium
- Your PSHB benefits are enhanced by enrolling in a Medicare Advantage plan (which includes hospital, doctor, and prescription drug coverage)
- Continue to receive the same great care from your Kaiser Permanente doctors that you have on your current plan

ENHANCED BENEFITS

- Extra benefits to help you thrive that are not included with Original Medicare
- Medicare Part B premium reimbursement up to \$175 per month*
- Lower copays for most covered services
- Lower costs for some prescription drugs

PREVENTIVE CARE

- Additional coverage for services like vision, chiropractic, and acupuncture allows you to take care of your health proactively
- The One Pass fitness program with access to a nationwide network of gyms and fitness locations, live digital fitness classes, on-demand workouts, and more²
- No additional costs for preventive services like your yearly checkup, mammograms, prostate exams, flu shots, and cholesterol tests

2025 PSHB plan options and premiums

When you become eligible for Medicare, you may be able to change your current plan option. There are 2 ways to learn more about making enrollment changes outside of Open Season:

- Go to opm.gov.
- Contact your employing agency or retirement office.

Enrolling in Senior Advantage for Postal Service Members does not change your PSHB premium. **Active employees and retirees pay the same amount.** The PSHB premium share you currently pay is listed in the table below.

Your Premium Shar	e*	High Option	Standard Option
Calf Only	Biweekly	\$75.80	\$54.60
Self Only	Monthly	\$164.24	\$118.29
Calf Diva One	Biweekly	\$166.01	\$119.27
Self Plus One	Monthly	\$359.69	\$259.07
Calf and Family	Biweekly	\$170.56	\$122.85
Self and Family	Monthly	\$369.54	\$266.17

Enrollment Code**	High Option	Standard Option
Self Only	PKA	PKD
Self Plus One	PKC	PKF
Self and Family	PKB	PKE

^{*}The above PSHB rates do not apply to all enrollees. If you are in a special enrollment category, please refer to the PSHB Program website or contact the employing agency or retirement office which maintains your health benefits enrollment. You must continue to pay the Medicare Part B premium to remain in the Kaiser Permanente Medicare health plan. Self Plus One enrollees covering themselves and one other eligible family member may choose either the Self Plus One or Self and Family enrollment type, whichever has a lower premium. You should decide which enrollment type is best for you.

You can enroll in Kaiser Permanente Senior Advantage for Postal Service Members if you have Medicare Parts A and B or Part B only and are an PSHB Kaiser Permanente member.

^{**}To sign up or change options, find your enrollment code in the chart above. Then visit health-benefits.opm.gov/pshb to enroll online. For additional support, call the PSHB Helpline at 1-844-451-1261 or email PSHBHelpline@opm.gov. These are highlights of the PSHB enrollment process. Please refer directly to opm.gov and your employing agency or retirement office for PSHB coverage effective dates, enrollment procedures and deadlines, and other information.

The PSHB Medicare prescription drug plan (PDP)

The Kaiser Permanente PSHB Medicare prescription drug plan (PDP) is a new standalone prescription drug plan exclusively for Kaiser Permanente PSHB members with Medicare and not enrolled in Senior Advantage.

Benefits of a Kaiser Permanente PSHB PDP

- As a member, you will continue receiving the same medical benefits you have today.
- There is a \$2,000 cap on the annual amount you pay out of pocket for prescriptions. Your PDP drug cost shares count toward your medical out of pocket maximum.
- You may have lower copays for some prescription drugs.
- There is no separate premium for your prescription drug coverage.*

Copays**	High Option	Standard Option
	PDP	PDP
Generic Maintenance	\$5 \$0 mail-order	\$5 \$0 mail-order
Generic	\$10	\$15
Brand	\$45	\$45
Specialty	\$200	\$200

^{*}You may need to pay an income related monthly adjustment amount (IRMAA) depending on your income level. Learn more at medicare.gov.

^{**}Prescription drug copays are for a 30-day supply at Kaiser Permanente Plan medical center pharmacies. You pay only 2 copays for up to a 90-day supply for most drugs through Kaiser Permanente's mail-order program.

Enrollment

- You will automatically be enrolled in a Kaiser Permanente PSHB Medicare PDP when we are notified you have retired and are entitled to benefits under Medicare Part A or enrolled under Medicare Part B.
- You will receive a letter informing you of your enrollment in the mail, including an opt-out form. If you choose to opt out, you must decide before the effective date.
- If you stay enrolled in the Kaiser Permanente PSHB Medicare PDP, we will send you a new member ID card.

For better benefits, enroll in a Kaiser Permanente Senior Advantage for Postal Service Members plan.

A Kaiser Permanente Senior Advantage for Postal Service Members plan has lower copays, provides additional benefits including prescription drug coverage, and may offer you Part B reimbursement. To enroll, simply fill out the PSHB Group Medicare Enrollment form and select a Senior Advantage plan.

Important note: If you choose to opt out of a Kaiser Permanente PSHB Medicare PDP and do not enroll in a Kaiser Permanente Senior Advantage plan, you will not have any prescription drug coverage. You must sign the opt-out form and mail it back within the given time frame noted in the letter. You can re-enroll in a prescription drug plan during the next Open Season or if you have certain qualifying life events. Not having prescription drug coverage may also lead to a Medicare Part D late enrollment penalty. Learn more at medicare.gov.
